Frank Rivas is a District Manager for Wells Fargo's Community Banking organization in the Houston North region. He oversees the 59 Northeast district—managing 10 retail branches, 17 Wells Fargo ATMs and more than 150 team members to provide financial solutions to individuals and small businesses.

Rivas has over 13 years of banking experience, 10 of which have been in developing team members to reach their full potential and cultivating true cultures of caring. Prior to accepting the district manager role in Houston in January 2015, he began his career as a Personal Banker with Wells Fargo in Fort Worth, TX. During his time in the Dallas-Fort Worth area, he also excelled in positions such as Business Specialist and Assistant Branch Manager, as well as acquired his Series 6, 63, 65, and Group 1 license.

Rivas found his passion for community involvement in helping students prepare for college by talking about his experience and educating parents about the resources that are available to them. He has volunteered with the Hispanic Scholarship Forum and coordinated an event for the Congressional Award Student Leadership Summit for underprivileged students. He currently sits on the boards of Wells Fargo's Asian Connection and My Generation Team Member Networks (TMN) and as advisor to the Latin Connection TMN.

He earned his Bachelor of Science degree in Management from the University of Arlington. He currently lives in Southwest Houston with his wife, two beautiful kids, and two dogs.
